Invitation

Dear colleagues,

We have been honored to extend the invitation through this message for the 43rd Annual Conference of the Indian Society for Surgery of the Hand (ISSHCON 2019) to be held at Puri, Odisha. It is being jointly organized by Association of Plastic, Reconstructive and Aesthetic Surgeons of Odisha (APRASO) & Odisha Orthopedic Association (OOA). The Conference will be hosted on 13th, 14th & 15th of September 2019 at Hotel Holiday Resort, Puri. The spiritual land of Lord Jagannath was the venue for the NABICON-2016 and we all have enjoyed a lot. I hope the meeting was a memory of both for the delegates and the organizer. The people of the state of Odisha are famous for good hospitality. Now we welcome our guest of hand surgery conference, to make the event another successful and memorable milestone in the history of Odisha.

Dear delegates, specially to the young friends, we are planning to have an extraordinary live operative pre-conference workshop on 12th of September 2019 in the Department of Burns, Plastic & Reconstructive Surgery and Department of Orthopedic Surgery at SCB Medical College, Cuttack. This conference will have academic fiesta for sharing our experiences in hand surgery.

Though Odisha is culturally, ethnically, linguistically and religiously the most diverse state in India, this diverse land is united by an invisible common thread, the Lord Jagannath. One of the four Dhams, Puri, is home to the famous Lord Jagannath Temple. The clean, sunny & vibrant beach welcomes everybody with its mighty waves. The cuisines ranging from local delights to the Mahaprasad forms the paradise for holiday destination to really enjoy Puri along with other destinations which include the famous Sun Temple at Konark, the Chandrabhaga beach, the Satpada dolphin reserve, Dhauli Santi Stupa, the Lingaraj Temple & Nandana Kanana Zoological park.

Our organizing team is working hard to ensure that ISSHCON-2019 is a memorable congress. We request you to come with your family of all ages and we will accommodate you in-house and nearby venues with all arrangements. This holy city awaits you not only with the scientific extravaganza that we have planned for you but it also awaits you with its cultural and culinary delights.
